CLEMENT KERN AWARD

FOR SOCIAL IMPACT

EDW. C. LEVY CO.

At only 18 years old, Edward C. Levy started the Edw. C. Levy Co. in 1918 with only two trucks. Shortly thereafter, he made a handshake deal with Henry Ford to haul slag products away from the Ford Rouge facility in Dearborn, Michigan. More than a century later, Levy remains family-owned, with more than 3,000 team members across the globe. The Levy Group of Companies is a leader in recycling, steel mill services, and construction materials, with a longstanding culture of safety, care, and innovation.

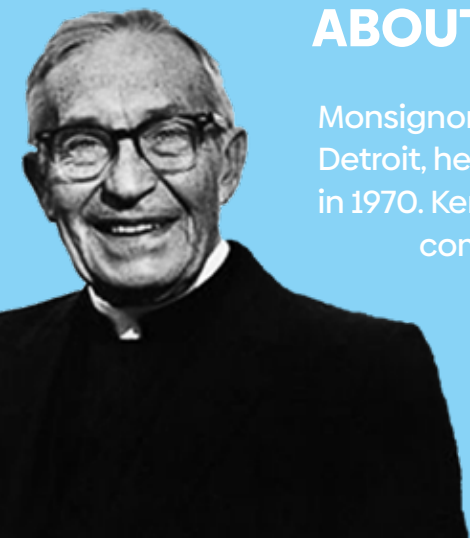

That same commitment extends to the communities where Levy team members live and work. For more than a century, the Levy Family and its companies have been guided by a commitment to “always do the right thing” and live by the “Golden Rule”. Levy supports more than 130 charitable organizations, municipalities, schools, and nonprofits each year, while empowering employees to volunteer and support initiatives that strengthen their communities.

For more than 40 years, the Edw. C. Levy Co. has been a valued partner and steadfast supporter of MiSide. Throughout our longstanding partnership, Levy executives have consistently served in leadership roles on MiSide’s Board of Directors, contributing their time, expertise, and commitment to help guide and strengthen the organization. Through this leadership, generous financial support, and employee volunteerism, Levy has helped create brighter futures for thousands of people. This partnership embodies what Celebration of Impact is all about: the extraordinary difference that is possible when we invest in communities and in one another. MiSide is proud to honor Levy for more than four decades of generosity, friendship, and lasting impact across southeast Michigan and beyond.

ABOUT THE CLEMENT KERN AWARD

Monsignor Clement Kern, the legendary pastor of Most Holy Trinity in southwest Detroit, helped found one of our legacy organizations, Southwest Solutions, in 1970. Kern was known as the “conscience of Detroit” because of his passionate commitment to helping the poor and disenfranchised.

The Clement Kern Award for Social Impact honors local and national leaders who embody his same dedication to help those in need, provide opportunities to succeed and create a more equitable society.
