FUN *Not* FORMAL

We are excited to celebrate with you!

A common question we get is, “How should I dress for the gala?” To help you out, we’ve put together some ideas. Our theme this year is “Fun, Not Formal.” We’re all about celebrating with joy and creativity.

Think festive and fun, not necessarily formal. Have a cool orange bow tie, sparkly cowboy boots, or a colorful sequined dress? We’d love to see them!

Here are a few suggestions to inspire your outfit, but feel free to wear whatever makes you feel your best.

For shoes, we leave it up to you. But we encourage you to keep in mind that we will have a dance floor, so make sure you will be comfortable!
